

Claremont Municipal Code

A codification of the ordinances of the City of Claremont, California, including Title 16~Zoning, Title 17~Subdivision, Title 18~Signs, and the Taxpayer Protection Act (Measure A) passed by the voters of the City at the March 6, 2011 General Municipal Election.

This supplement brings the Code up to date through Ordinance No. 2011-09, adopted October 25, 2011.

Preface

The Claremont Municipal Code, originally published by Book Publishing Company in 1978, has been kept current by regular supplementation.

During original codification, the ordinances were compiled, edited and indexed by the editorial staff of Book Publishing Company under the direction of the City Attorney.

The Code is organized by subject matter under an expandable three-factor decimal numbering system, which is designed to facilitate supplementation without disturbing the numbering of existent provisions. Each section number designates, in sequence, the numbers of the title, chapter, and section. Thus, Section 18.12.050 is Section .050, located in Chapter 18.12 of Title 18. In most instances, sections are numbered by tens (.010, .020, .030, etc.), leaving nine vacant positions between original sections to accommodate future provisions. Similarly, chapters and titles are numbered to provide for internal expansion.

In parentheses following each section is a reference to the ordinance or ordinances establishing that section.

A subject matter index, with complete cross-referencing, locates the specific code provisions by individual section numbers.
